(Must be completed within 5 days of discovery or loss)

The Manufactured Housing Procedural and Enforcement Regulations 24 CFR Chapter XX Part 3282 Section 552 requires manufacturers to report certification label usage on a monthly basis. The information collected here will be used to report home distribution, collect fees, and reimburse parties as appropriate under these Regulations. Public reporting burden for this collection of information is estimated to average 0.5 hours per response including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Response to this information collection is mandatory. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.
